Executive Summary

Highly motivated Computer Science and Engineering student specializing in Data Science, Artificial Intelligence, and Cybersecurity with a strong academic foundation in programming and analytical problem-solving. Skilled in Python, Java, web development, and database fundamentals, aligning with roles requiring technical adaptability and continuous learning. Passionate about applying data-driven thinking and software skills to contribute effectively in professional environments while continuously enhancing technical expertise.

Technical Skills:

***Programming Languages:**

- Python
- Java (Basics)
- C & C++
- JavaScript (Basics)

***Web Technologies:**

- HTML5 & CSS3
- React (Basics)

***Tools & Software:**

- Git (Basics)

- Debugging

***Databases:**

- Database Fundamentals

AI/ML Technologies:

- Foundational Knowledge in Data Science, Artificial Intelligence, and Cybersecurity

Soft Skills:

- Problem Solving
- Communication & Teamwork
- Time Management
- Adaptability
- Multilingual Abilities:
 - * Tamil (Native – L1)
 - * English (Advanced – C1)
 - * Hindi (Intermediate – A2)
 - * French (Beginner – A1)

Professional Experience:

Karpagam College of Engineering | 2024 – Present (Expected Graduation: 2028)

Role: Student – Bachelor of Science in Computer Science Engineering

Responsibilities:

- Pursuing academic specialization in Data Science, Artificial Intelligence, and Cybersecurity
- Developing programming knowledge through coursework in Python, Java, and web technologies
- Strengthening analytical and problem-solving skills through practical and theoretical learning
- Building foundational understanding of database systems and software development concepts

- Participating in technical learning activities to enhance domain expertise

Impact:

- Built a strong foundation in computer science and emerging technologies
- Developed multilingual communication abilities supporting collaboration and adaptability
- Strengthened technical proficiency in programming and software fundamentals

Education

Bachelor of Science in Computer Science Engineering

Karpagam College of Engineering – Coimbatore, India | Expected Graduation: 2028

Awards & Accomplishments:

- Winner – Application Development Competition (2024)
- State-Level Table Tennis Recognition (2022)
- Runner-Up – Paper Presentation Competition (2025)
